6th Grade Math Lesson Plans

Congratulations on downloading my **FREE** 6th Grade Math Lesson Plans! If you enjoy this free resource and want to ensure it stays free, please leave a positive review.

Each standard has its own lesson, written in roughly one page of bullet points.

On the following page, you'll find a list of all the standards. **Click each one** to go to its lesson plan. Click each domain heading to go to the domain overview. Click this link to view the [6th Grade Math Lesson Plans Overview](#), to see how all of the lesson plans fit together.

After clicking each of the links provided on the next page, you may **print** each lesson directly from the browser using the "File" menu in the upper left. If you would like to **edit** the lesson plan files, sign into your Google account. Once signed in, click "**File**", and then "**Make a copy**". After you've made a copy, you'll find that copy in your Google Drive at <https://drive.google.com/drive> where you'll have full **edit** access.

From the "File" menu, you can also download the document as a **PDF** or an **editable Word file**. Again, you must be logged into Google Drive in order to do this.

In this document, you'll also find a **pacing guide** to ensure that you cover each standard in a logical progression throughout the year.

Don't have a Google account? Sign up for free [here](#).

Again, your positive review is greatly appreciated and allows me to continue producing high-quality content accessible for all. Feel free to email me at EducationalEmporiumTpT@gmail.com with any questions.

| 28-Feb | 27 | 6.G.4 - Surface areas using nets |
| 7-Mar | 28 | Review and Test of Geometry Domain |
| 14-Mar | 29 | Finish Geometry if you have fallen behind; coast into spring break; or begin |
| 21-Mar | 30 | the SP domain early. This is also a good window for state testing. |
| 28-Mar | | Spring Break |
| 4-Apr | 31 | 6.SP.1 - Statistical questions |
| 11-Apr | 32 | 6.SP.2 - Center, spread, and shape of a distribution |
| 18-Apr | 33 | 6.SP.3 - Center and variation |
| 25-Apr | 34 | 6.SP.4 - Numerical data on number lines, dot plots, histograms, and box plots |
| 2-May | 35 | 6.SP.5 - Summarize numerical data sets in their context |
| 9-May | 36 | Review and Test of Statistics & Probability Domain |
| 16-May | 37 | Use these remaining weeks for state assessments or to finish the |
| 23-May | 38 | curriculum if you have fallen behind. |

This variation of the pacing guide reflects a more traditional order of topics, but the EE domain is split in half by Christmas break.
